

Home Learning – 21.06.24

Activity 1: This week in maths, we have been looking at complex repeating patterns. Can you identify and continue the repeating pattern on the ice creams? Can you think of your own complex pattern with 3 units of repeat? e.g. yellow, red, blue

Activity 2: Talk to a grown-up about how to stay safe around water. You could create a poster to show different ways to stay safe.

Activity 3: Complete the 'Under the Sea Early Reading Comprehension Activity' attached separately.
