

Class Seurat Challenge Homework Autumn 1 – The Stone Age

Please note: At least one homework must be completed each week in addition to the regular weekly homework (Please see below). Should weekly homework not be completed, time can be provided, during lunch breaks, in school for your child to complete the Maths, Reading or English tasks. Any creative project homework must be completed by Monday 16th October 2023, unless stated otherwise.

	<p>Regular Weekly Homework: Reading, statutory Year 3/4 Spellings, Times Tables Practice <i>Reminder: Copies of spelling sheets can be found on our Class web page</i> You are aiming to complete enough activities to earn a minimum of 30 Dojo points. Each Task is worth 5 Dojo points, unless stated otherwise.</p>		
	Knowledge and Understanding	Applying and Analysing	Creating and Evaluating
Communication and Literacy (Reading, Writing and Speaking)	<p><u>Stone Age Time Travel</u> Imagine you can go back in time to the Stone Age. You can take one piece of modern technology. What would you take and why? Write, convincing me why this is a good object.</p>	<p><u>Reading/SPaG Activity</u> A choice of reading or SPaG activities will be uploaded to Education City each term. Each completed task that scores more than 80% will be awarded with 5Dojo Points www.educationcity.com</p> 	<p><u>Book Review</u> Write a book review for Quest. Give a brief overview of the story. Tell me why you liked/disliked the book. Give it a score out of five.</p> 
Logical, Reasoning and Mathematical (Science and Maths)	<p><u>My Maths</u> Please login to My Maths to see the weekly tasks set by Miss Angus. Tasks will not be available to complete until we have covered the activities in our maths lessons in class. Each completed task that scores more than 80% will be awarded with 5HP www.mymaths.com</p> 		<p><u>Shadow Puppets (Science)</u> Create a set of shadow puppets that you can use to tell a story. Remember your puppet needs to completely block the light in order to create a good shadow.</p>
Visual/ Spatial/ Kinesthetic (Creative Arts)	<p><u>Art/DI</u> Using a variety of materials, create a small model of a Stone Age dwelling or monument, such as Stonehenge.</p>	<p><u>Archaeology Activity</u> Imagine you are an archaeologist. Place small objects in sand, soil or rice and ask someone to find them using a small brush (like a toothbrush or make up brush) or teaspoon. Ask someone to hide objects for you to find. Be careful – prehistoric artifacts are fragile and delicate!</p>	
School Value (Cooperation) and Growth Mindset	<p>Design a new team game for you and your friends to play in the playground. Remember to write down all the important rules so the game can be played fairly.</p>		
<p>OWN TASK: Earn up to an additional 15 house points for a task of your choice related to the topics we are covering in class this term.</p>			

In keeping with the school's value of aspiration, we would like to remind you that we expect homework to be of the highest possible standard and encourage all pupils to give in their homework on time. Remember – you also need to apply our school value of cooperation and strive to achieve as many house points for your team as possible.
