Academic Year	2021-22	Total Catch-Up Funding	£16,560	Number of Pupils	207

Guidance
<p>Children and young people across the country have experienced unprecedented disruption to their education as a result of COVID. Those from the most vulnerable and disadvantaged backgrounds will be among the hardest hit. The aggregate impact of lost time in education will be substantial, and the scale of our response must match the scale of the challenge.</p> <p>School's allocations will be calculated on a per pupil basis, providing each mainstream school with a total of £80 for each pupil in years' reception through to 11 in two instalments, one in 2020 financial year, and one in the current financial year.</p> <p>As catch up premium has been designed to mitigate the effects of the unique disruption caused by COVID, the grant will only be available for the 2020/21 year, however schools can continue to use it into 2022.</p>

Use of Funds	Securing Literacy Skills	Costings
Introduction of Grammar books across KS2 to facilitate subject specific teaching to secure literacy skills after assessment showed a lack of understanding in these areas by all teaching staff.	A particular focus for interventions is likely to be on literacy and numeracy. For example, there is extensive evidence showing the long-term negative impact of beginning secondary school without secure literacy skills.	£425.00
